

# JOB DESCRIPTION

**JOB TITLE:** Hire Technician  
**REPORTING TO:** Hire Manager  
**LOCATION:** Sunbury

## ROLE SUMMARY

The role will consist of delivering and installing the clients AV requirements mainly in London and the Home Counties on a day to day basis. On occasions AVM will support the event so the successful candidate will need to be flexible as this may mean early starts and late evenings with some occasional weekend work. The ideal candidate will need to be smart, well presented and extremely helpful as the role will be client facing. The candidate will also need to be fit and healthy as some heavy lifting will be involved.

## DUTIES AND RESPONSIBILITIES

Responsibilities include, but not limited to:

- Rigging and de-rigging of PA systems and plasma screens.
- Working with clients to ensure they receive excellent service.
- Liaising with clients and the office to ensure smooth running of the events.

## SKILL SET REQUIREMENTS

- Technical knowledge of short-term AV solutions and basic grasp of AV in general.
- Excellent communication and customer service skills.
- Enthusiastic and organised.
- Ability to work under pressure.
- A clean driving licence and excellent knowledge of London.
- Be a key team player.
- Must be flexible as overtime will be involved, some weekends and evenings.
- Extremely friendly and good with people.

## WHY WORK FOR AVMI

- Be part of a fast-growing company working with some of the world's biggest brands.
- Ambitions to become a global player (recent office openings in New York and Hong Kong).
- An evolving business that provides great opportunity for development and progression.
- Full training program provided.
- Great team environment.
