- Allocation of engineering resource
- Producing quotes and ordering of equipment
- Regularly updating customers with the progress of the ticket within the agreed timescales
- Communicating with clients to build an excellent long term service relationship
- Responsible for checking that all final paperwork is signed and correct and that the job is closed to a satisfactory conclusion

RELEVANT EXPERIENCE

Must have excellent communication skills and have the ability to prioritize your workload in a busy and challenging environment. You will need to have a professional persona and be able to work well under pressure with a flexible approach to the working day.

- Capable of communicating effectively at all levels.
- Excellent face to face, telephone and written communication skills.
- Have experience of a customer service environment
- Ability to multi-task and work well under pressure.
- A good understanding of Service Desk challenges
- A logical approach to problem solving
- Have an analytical approach to problem solving and decision making.
- Good working Knowledge of Microsoft Office systems, specifically Excel, Word and Outlook.

ABOUT AVMI

AVMI provides services to leading organisations in financial services, legal, professional services, retail, defence, government, health and education sectors.

AVMI has focussed its business strategy on providing 'trusted advisor' life-cycle services to clients with a significant portion of growth coming from international business.

AVMI has recently secured a place, for the second year running, in the Sunday Times International Track 200. This international growth has been enabled by AVMI's award winning Global Enterprise Framework of services, helping its multi-site clients to drive consistency and efficiency into their audio visual and collaboration facilities and services across all locations.

Having opened operations outside of the UK in Hong Kong, New York and Dublin, AVMI is planning to secure additional international locations in support of its clients' businesses.
