- Enthusiastic and organized.
- The confidence to work under pressure in a professional environment'
- A clean driving license
- Be a key team player
- Must be flexible as overtime will be involved, some weekends and evening's overnight stays will also be required.
- Extremely friendly and good with people

ABOUT AVMI

AVMI provides services to leading organisations in financial services, legal, professional services, retail, defence, government, health and education sectors.

AVMI has focussed its business strategy on providing 'trusted advisor' life-cycle services to clients with a significant portion of growth coming from international business.

AVMI has recently secured a place, for the second year running, in the Sunday Times International Track 200. This international growth has been enabled by AVMI's award winning Global Enterprise Framework of services, helping its multi-site clients to drive consistency and efficiency into their audio visual and collaboration facilities and services across all locations.

Having opened operations outside of the UK in Hong Kong, New York and Dublin, AVMI is planning to secure additional international locations in support of its clients' businesses.
